### Poland-- "Healer Of The Broken Pieces"

BELIEVEST.THOU.THIS NEW.YORK.NY WEDNESDAY 51-1003

There's <u>a little bowl</u> in a human heart that is <u>full of golden oil</u> called <u>love</u>.

If it is ever broke it can be healed up, but there'll be a scar there

as long as you live.

## "If it is ever broke it can be healed up, but there'll be a scar there as long as you live."

We All Daily need the Holy Ghost Oil to be poured into our lives, and fill our "Bowls" in our Heart with His Divine Love!!
